EMAIL: _____

Items needed: Pen or pencil & a measuring tape

1. Draw a rough sketch of your countertop below.
 2. Measure the dimensions of the countertop in inches and lable the drawing.
 3. Indicate on the drawing the location of your sink & stove.
 4. Indicate areas where countertop abuts walls with a "W".
 5. Please mark finished edges (areas not abutting walls) with an "X".
 6. Please lable areas where you would like backsplash by writing "backsplash".
- SEE EXAMPLE ON PAGE 2
