Linette,

My name is Kirk Williams I am the Director Of National Sales Training at Mohawk Industries. You asked for a reference on Barmar. Mike and his crew put stone in a house for us that we were selling about 6 months ago. They did a great job for a very reasonable price. We are now building a house and Barmar is do the stone for us in our new house as well.

Not only are their prices reasonable but the also do what they say they are going to do when they say they are going to do it.

By the way if you are going to put in a stainless sink theirs are about the best price as well.
